BACHELOR OF BUSINESS ADMINISTRATION in Airline Business

About the Program

Students are trained under the guidance of Dr. Malee Dhammasiri, Head of the Airline Business, former Director of General Management Training or Thai Airways International Public Company Limited.

Upon completing our Airline Business program, you will gain the professional skills needed to land your dream job.

What You Will Learn

Students are trained by supremely experienced instructors from top international airlines. The program is geared towards meeting the ever-

extensive demands of the Airline Industry, from onboard passenger services to arrival-departure formalities and other airline procedures. On-campus airplane mock-up training facilities ensure the students are familiar with future work environments from early on in the program.

Field Experience

Students principally benefit from excursions to Suvarnabhumi International Airport, Phuket International Airport, and other international airports where they enter mock-up and personality development trainings conducted by Thai Airways International air purses and cabin crew.
