Master of Business Administration

18-month International Program

About the Program

Our MBA program fast-tracks your managerial career through a well-planned and updated curriculum relevant to today's global business environment.

What you will learn

The curriculum is designed to meet the needs of businesses and industries within globalized environments. The curricular and pedagogical framework, materials, processes and environment provide students an effective learning experience to become responsible leaders.

Besides classroom learning, you will get opportunistic exposure to industrial settings and simulated environments that bring together all elements of the course for practice in competitive environments.

Our MBA program offers either a thesis track (Plan A) or an independent study track (Plan B)

that earns you 36 credits for a 12-month period. However, an extension of up to 3 months is allowable due to independent study/thesis editing or acceptance for publication in a journal.

Prerequisite Courses

1. Foundations in Business
2. Statistics for Business Research

Required Courses (21 Credits)

1. Financial Accounting and Banking
2. Modern Business Administration
3. Technology Management for Business Innovation
4. Business Economics
5. Business Statistics and Research
6. Strategic Marketing Management
7. Seminar in Management

Elective Courses (3/9 Credits)

Plan A - Thesis: choose one course from list below.

Plan B - Independent Study: choose three courses from list below.

1. Marketing Strategy in Hotel and Tourism Industry
2. Hotel and Tourism Law and Ethics
3. Air Transportation and Airline Management
4. Commercial Aviation
5. Transportation Management and Regulations
6. Warehouse Design and Operations

Independent Study or Thesis (6/12 Credits)

Transfer of Credits

A candidate may request to transfer up to 12 credits from a relevant postgraduate program at the discretion of STIC.

Requirements for Graduation

1. Complete required courses (36 credits) with a cumulative grade point average of at least 3.0 (on a 4.0 scale).
2. Publish a full paper or research article in a recognized peer-reviewed journal or proceeding of an internationally recognized conference. The article may be a research synopsis or extract of thesis.
3. Pass the thesis oral defense and submit the corrected thesis with approval of the thesis committee.
