MASTER OF EDUCATION In Educational Administration

We offer the M.Ed. program to meet the needs of teachers and administrators who want to advance their teaching profession through a rigorous and relevant academic program. The focus of the curriculum is the exploration of issues that today's schools are facing with emphasis on problem-solving skills that can immediately apply to the needs of working professionals.

About St Theresa International College

Established in 2001 to provide education based on international standards, St Theresa International College offers internationally accredited programs and awards Bachelor's and Master's and Doctorate degrees.

Partner institutes include University of East London, UK, Patten University, USA and Waiariki Institute of Technology, New Zealand. The college and the programs are fully accredited by the commission on Higher Education, Ministry of Education and Teacher Council of Thailand.

The college campus is in Nakhon Nayok which is less than 70 km from the center of Bangkok.
